

Who are we?

sezonieri is a coalition between the PRO-GE trade union and agricultural workers' activists. We cooperate with non-governmental organizations which stand up for the rights of agricultural workers.

We represent the interests of agricultural workers. We want to prevent the exploitation of agricultural workers and improve their working conditions.

We have the experience to enforce rights – if necessary – through the courts and with public authorities/administrative bodies.

We provide information and advice anonymously and for free!
